'Vedic Maths' is much more than a magical method of fast calculation. While mastery of its simple sutras — and a little practice — undoubtedly enables one to perform mental computations with lightning speed, what is really fascinating about the subject is that it springs from what are normally considered religious treatises! But ours is a mechanistic universe governed by immutable mathematical laws, where everything functions according to definite principles.

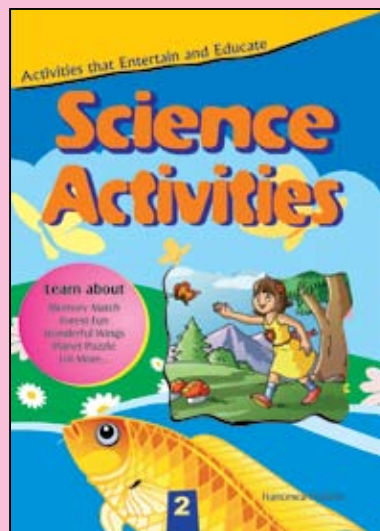

Science Activities

'Science Activities' is a set of three books with interesting activities for young children. The first book has very simple activities, the second one has slightly more difficult activities and the third book has activities of a slightly higher level. With each book, the child goes up to a higher level of learning and understanding the very basic concepts of science.

प्रेमचन्द की प्रसिद्ध कहानियाँ

मुंशी प्रेमचन्द हिन्दी व उर्दू कथाओं के रचयिता व अपने काल के मार्ग-दर्शक रहे। उन्होंने लगभग तीन सौ लघु कहानियाँ तथा चौदह उपन्यास लिखे। आज भी उनकी रचनाएँ बूढ़े-जवान सभी का मर्मस्पर्श कर उन्हें प्रभावित करती हैं। ये कहानियाँ भारतीय ग्रामीण जीवन की सच्चाइयों का बखान करती हैं। ये बहुत सरल हैं किन्तु आधुनिक परिवेश में भी ये मार्गदर्शक सिद्ध हुई हैं और जीवन-मूल्यों को निखारती हैं। इनमें भारतीय संस्कृति व परम्पराओं का जो वर्णन किया गया है वह आज भी विद्यमान है। हास्य व व्यंग्य द्वारा प्रेमचन्द अपना संदेश जन-जन तक पहुँचाने में सफल रहे।

Tagore Classics

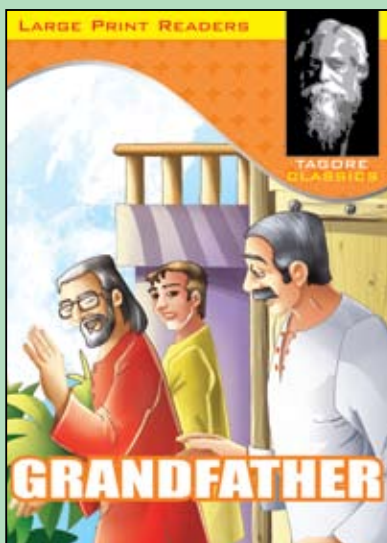

Rabindranath Tagore is a celebrated Indian writer who wrote several poems, short stories and novels. He is the only Indian writer to win a Nobel Prize for Literature.

Tagore's short stories are read all over the world and especially India simply for their middle class flavour and a simultaneous modern approach. Besides depicting a vivid picture of Bengal, the stories also represent a complex and varied picture of a society in transition. His stories evoke emotion and humour and are a treat for the readers.

The Palace of Justice
too were large and shaped abnormally. The mouth was of a horse-shoe shape and he had only one good eye through which he gazed in amazement at the crowd. His expression was a mixture of hate, wonder and profound sadness. The boisterous crowd recognised him instantly as the hunch backed bell ringer of Notre -Dame.

"Quasimodo!" they shouted in one voice, "It is Quasimodo. The hunchback of Notre-Dame. Quasimodo! The bell ringer of Notre-Dame. Hurrah. Hurrah!" they shouted elatedly.

Master Coppenole put a sporting hand on Quasimodo's shoulder and though Quasimodo did not move, one detected a frightening air strength, nimbleness and courage about him.

"You are the finest specimen of ugliness I have ever witnessed, my man" remarked Coppenole matter of factly.
